CONTINUE SEARCH
FOR CIA CLERK CPYRGHT

WASHINGTON (UPI) — Author-
ities continued their search today
for an intelligence agency clerk
who has been missing since Tues-
day.
Military intelligence agents and
police had no leads on the where-
abouts of William Hyter Covington,
an employee of the super-
sized National Security Agency
(NSA).
Covington worked for the same
agency that employed Hermon E.
Nichols and William B. Martin,
who defected to Russia last year.
Officials said he had only limited
access to classified material.
